

REYNEKE CORNERSTONE 2014

Only the best grapes are used for this Bordeaux-cut wine.

After a meticulous sorting of the berries, the must is left to ferment in cement “eggs”, and then transferred into barriques where it refines for a period of 18 months.

The barrels are 20% new, the rest being built using wood coming from barrels of second and third generation.
A nice, fresh Bordeaux cut.

The nose has hints of graphite and tobacco leaf, black currant and mown lawn.

The palate is characterized by a strong minerality.

The tannins are round and juicy, and as a result, the consumption is extremely pleasant and balanced.
